TO WHOM IT MAY CONCERN

PROFICIENCY IN ENGLISH

This confirms that Mr. Richmond Gyamfi Nketia, who is seeking admission to your Institution, was admitted to the Bachelor Of Science (Computer Science) Programme at this University in June, 2014 after satisfying our minimum entry requirements, including a Pass in English Language.

English is the medium of instruction at all levels of education in this country. On account of this Mr. Nketia has pursued his studies from the Primary School through University in English. He therefore has a reasonably good command of the language - both oral and written.

As in the case of all other students of this University, it is our view that Mr. Nketia's Proficiency in English is of a level that will enable him undertake further studies in any area of his choice without any difficulty.
